The Lions were challenged in 1925 by Helen Keller to be “knights of the blind”. Helen’s personal experiences led her to educate the public about aspirations, hopes and abilities of people who are blind or visually impaired. In turn, the Bullhead City Lion’s Club has dedicated themselves to assisting the local community with their vision needs. Last year the club was able to help 68 children and adults with eye exams and glasses. One hundred percent of your donations will be used for eye exams and glasses for children and adults! Thank you very much for your support of this worthy cause.
