

**NAVAL RESERVE OFFICERS TRAINING CORPS
APACHE JUNCTION HIGH SCHOOL
APACHE JUNCTION ARIZONA 85120-7100**

October 1, 2018

21st ANNUAL BENEFIT CAR and MOTORCYCLE SHOW ON MARCH 2, 2019. The Naval Reserve Officers Training Corps Unit at Apache Junction High School is requesting your help. Your support enables cadets to attend field trips and enter local, state, and national competitions throughout the school year. This unit has been recognized repeatedly by the United States Navy as a distinguished unit. The Apache Junction High School NJROTC program is a template for other units to follow.

We are currently seeking Sponsorships for individual Car Show Classes or any type of exceptional donations to help our fundraising event. Class Sponsorships are \$50.00 per class. Class sponsor names are engraved on trophy plaques. Donations will be raffled or auctioned off during the show.

All donating or sponsoring companies will be displayed on a billboard during the show for public viewing. In addition all companies are invited to supply company literature for registered show participant goodie bags. Usually companies give business cards, marketing materials, coupons etc. to promote your company.

In the past 20 years the success of this event has depended greatly on community support. There are usually over 100 participants that come and show their beautiful cars and motorcycles. Also, the show attracts 2,000 to 3,000 spectators every year so your company will get good exposure while helping one of the best youth organizations in town.

All donations are tax deductible. Below you will find our public school federal tax ID#.

Thank you for your support.

Sincerely,

**Commander Gary Lock
