## RAFFLE

### Show Rules and Class Definitions

<b>Stock:</b>	Must have a period-correct frame, running gear, and at most three (3) visible minor modifications. Stock <b>domestic and foreign</b> cars go in classes <b>A</b> or <b>B</b> by the appropriate year.
<b>Modified:</b>	Any domestic or foreign car not fitting the definition of <b>Stock</b> is defined as Modified. Modified cars go in Classes <b>C</b> or <b>D</b> by the appropriate year.
<b>Trucks:</b>	All trucks, 4x4s, and SUVs (stock or modified) before 1999 go into Class <b>E</b>
<b>Sports Car:</b>	Small, usually two (2) seats, that have a high horsepower-to-weight ratio and are designed for high-speed driving and maneuverability. Some sports cars may have 2+2 seating arrangements with the rear seats usually small and suitable for luggage or children. All sports cars should fit the <b>Stock criteria</b> above, and go in class <b>F</b> and <b>G</b> by the appropriate year.
<b>Exotic Cars:</b>	Sometimes called "supercars" they are expensive, fast, powerful, and limited production. They are often hand-built by the manufacturer and include a wide array of automotive high technology (lightweight materials, drivetrains, aerodynamics, and premium materials). Exotic Cars go in Class <b>H</b> .
<b>Premier:</b>	A special Class to recognize last year's first-place winners in all Classes.

The **Car Show Committee** will make every attempt to determine the appropriate class with the car owner. This may require reassigning a car to an appropriate class. Cars determined to be in the wrong class will be ineligible for awards.
