### Show Rules and Class Definitions

<b>Stock:</b>	Must have period-correct frame and running gear and no more than three (3) visible minor modifications. Stock domestic cars go in classes <b>A</b> or <b>B</b> by the appropriate year. Stock foreign cars go in class <b>G</b> . Stock trucks go in class <b>E</b> .
<b>Modified:</b>	Any domestic or foreign car or truck not fitting the definition of Stock is defined as Modified. Modified cars go in Classes <b>C</b> or <b>D</b> by the appropriate year. Modified trucks go in class <b>F</b> .
<b>Sports Car:</b>	Small, usually two (2) seats, that have a high horsepower to weight ratio and are designed for high speed driving and maneuverability. Some sports cars may have 2+2 seating arrangement with the rear seats usually small and suitable for luggage or children. All sports cars should go in class <b>H</b> .
<b>Exotic Cars:</b>	Sometimes called "supercars" are very expensive, fast, powerful, and limited production. They are oftentimes hand built by the manufacturer and include a wide array of automotive high technology (lightweight materials, drivetrains, aerodynamics and premium materials). Exotic Cars go in Class <b>I</b> .
<b>Premier Class:</b>	A special Class to recognize first place winners in all Classes.

The **Car Show Committee** will make every attempt to determine the appropriate class with the car owner. This may require reassigning a car to an appropriate class. Cars determined to be in the wrong class will be ineligible for trophies.
