

Hello All,

We have worked with most of you over the years regarding Walkin' on Main, and this year for Thunder Valley Rally we have a great opportunity for a Cruising Main St. Car Show. This is because Main St. in Old Town will be open throughout the event along with the parking lots. Motorcycle parking is reserved along the curbs on Main St. both sides. This paints the backdrop for great cars, trucks and motorcycles to cruise up and down the strip on Friday, Sept. 14<sup>th</sup> and Saturday, Sept. 15<sup>th</sup>.

Cruise anytime you want for as long as you want.
